The advertisement is a screenshot of the Manuscript Peer-Review Process (MPRP) website. At the top, there is a navigation bar with the following items: About MPRP, Journals, Support and Training, Contact Us, Track article status, Register, and Login. The main content area features a heading "Manuscript Peer-Review Process" followed by a paragraph describing the service as a web-based portal accessible 24/7, offering editorial services, journal pre-publication services, and post-publication services. It mentions that the platform is a single independent platform requiring only a username and password for login. Below this, there is a section titled "Why MPRP?" with a partially visible sentence: "If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your". To the right of the text is an illustration of a person sitting at a desk with a laptop, surrounded by icons representing various aspects of the publication process like editing, reviewing, and publishing. The website logo "Manuscript Peer-Review Process" is in the top left, and contact information including an email address and support phone number is in the top right.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
